**Minutes**

Mrs Catalano welcomed the group and shared details of telephone conversations she has had:

- Group agreed that Global Goal 12 would be the one for us to focus on this year.
- Wendy Iveson of The Green Stores – a refill shop in Croxley Green - would love to welcome us for a visit to the store. She will talk to us and show us around.
- Sue Lacey wants us to get involved in the Woodoaks Farm in Maple Cross as it is focused on sustainable production.
- A mum of a child in Y2 works for Unicef on Global Goals and the Rights of the Child. She wants to get involved with our group too, if she can.
- Lucy (Y11 at Rickmansworth secondary school) has been chosen as a representative on the UK National Eco Committee. She would be interested in talking to us about their work.
- Fair Trade fortnight starts on 21<sup>st</sup> Feb. We will be having a sale of goods during week of 28<sup>th</sup> February, run by the School Council.
- The Croxley Co-op has asked for a local primary school to get involved in work with them on Fair Trade. I am waiting for them to get in touch.

Children want to create posters to spread the word of sustainability and suggest ways of protecting the planet

Mrs Catalano said that meeting times in Assembly were not long enough so she would be asking teachers if the group could meet sometimes on a Friday afternoon after half term.

Next meeting will be in assembly time on Monday 28<sup>th</sup> February 2022, in Y4
