Minutes

Mrs Catalano welcomed the new group and showed them some information about the 17 UN Global Goals. We watched some Unicef videos.

Children were given some ideas information on Global Goals to take away and read and think about. At the next meeting we will decide what we want to focus on this year.

Children thought it was a good idea if they split into groups to undertake future tasks.

We discussed Goal 12 and Goal 13 – sustainability and saving the planet – as our starting point.

Next meeting will be in assembly time on Monday 22nd November, in Year 4
