

How to be a Confident Learner

(Rickmansworth Park JMI School Visual SEND Offer)

What happens if you find things really difficult in your lesson?

You could talk to your partner.

You could ask your teacher.

You may work with a Teaching Assistant who will explain things to you.

You may work in a small group with a teacher or Teaching Assistant who will help you.

We want all children at Rickmansworth Park to be confident and independent learners.
