Agenda

- Read through completed "I am a changemaker" sheets
- Draw up ideas for parent questionnaire to find issues of concern to our school community

Minutes

Children shared their completed sheets and explained their visions for a better world for children. They also told us about which children's rights issue they feel most strongly about.

There followed a thoughtful discussion about what local/topical issues the group thinks might be of most concern to families in our wider school community at this time. Lots of excellent ideas were shared and the plan for a questionnaire was agreed.

The group will look at the questionnaire together next meeting and it will then go into an electronic format on Parentmail for parents/carers to complete. Following this, we will know what issues are most in need of our campaigning input, on behalf of our community
