Minutes

Mrs Catalano welcomed the new group and congratulated everyone for the very persuasive letters of application. She explained that this term we will be meeting regularly to follow Unicef's Outright campaign 2024-25. This year the children will learn to make their voices heard on subjects that matter to them and to the wider school community.

The groups were very excited at the idea of campaigning like this. A discussion was then had about which rights we feel very strongly about and what kind of a world we would ideally like to see for all children.

Each child took home a Unicef "I am a Changemaker" sheet to complete.
